

Clifton Gate Station Upgrade

Staten Island, NY | April 2024

Dear Neighbor,

We would like to inform you of upcoming work in your neighborhood. Starting in late-April 2024, we will begin upgrading existing infrastructure located within our National Grid yard and in the roadway/sidewalk area on Willow Avenue in Staten Island, NY.

Project details:

This project will upgrade existing infrastructure to increase safety and reliability. **There will be no interruption to service for National Grid customers.**

** Schedule is subject to change due to weather. Specific project operations may require additional work on weekends, and extended work hours may be necessary for certain operations**

What to expect during construction:

- **Excavations** within National Grid property, and on sidewalk of Willow Avenue and Bay Street.
- **Traffic:** Street traffic will be open during construction. Please be mindful of construction traffic signs and cones.
- Street parking may be impacted near work zones.
- Periodic temporary road closures on Willow Avenue for material deliveries and project specific activities.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call, or email our team.
- **For your safety,** please do not enter work zones and be mindful of work zones during and after construction hours.
