Important updates on construction activities in your neighborhood

Fulton Street Upgrade Project | October 2024

Dear Neighbor,

We are reaching out to update you regarding construction activities on our Fulton Street Upgrade Project on Grand Avenue and Fulton Street in Brooklyn, NY.

On Saturday October 5th and Sunday October 6th, crews will be conducting tie-in activities which will require intermittent road closures on Grand Avenue between Putnam Avenue and Fulton Street and on Grand Avenue between Fulton Street and Lefferts Place. A traffic flagger will be present to assist drivers and pedestrians around the work zone. Once the workday is complete, these streets will be re-opened to through traffic as normal. **There will be no impact to services for our customers.**

The purpose of this work is to connect the newly installed infrastructure to the existing system. It is one of our last key activities before backfilling and restoring the area.

Please do not hesitate to reach out Project Engagement team at the number or email below with questions or concerns. For your safety, please do not enter work zones and be mindful of work zones during and after construction hours. Thank you for your continued patience as we work to complete this important project.

Thank you,

Project Engagement
