

# We are upgrading infrastructure to provide better service to your community.

Grasmere Upgrade Project Update | March 2025

Dear Neighbor,

**Beginning on or about March 17<sup>th</sup>, our crews will be excavating on Mosel Avenue at the intersection of Steuben Street.** This work is expected to be completed in about two weeks, and will allow us to access critical infrastructure and successfully re-route supply while we rebuild our existing station in place without impacting service.

**Please note, there will be no interruption to service for our customers.**

## What to expect during construction:

- **Excavation work during daytime hours** (Mon- Fri 8AM – 4 PM, Sat 8AM - 4PM).
- **Lane closures on Mosel Avenue at the intersection of Steuben Street** during work hours (see map). One lane of traffic will be maintained, with flaggers on site to assist motorists.
- Parking restrictions on Steuben Street, between Mosel Avenue and the dead-end for the duration of this work (approximately two weeks).
- During non-work hours, all excavations will be secured and plated.
- **For your safety, please do not enter work zones and be mindful during and after construction.**
