# Northwest Nassau Integrity Project

Nassau County, NY | December 2024

Dear Neighbor,

We would like to inform you of the ongoing work in your neighborhood. Energy plays a critical role in our day-to-day lives and helps ensure the well-being of our community. That's why we're investing in infrastructure upgrades in your area.

## Project details:

Since 2017, National Grid has made significant upgrades to our infrastructure system through the Northwest Nassau Integrity Project. This project will increase reliability, enhance safety and operational flexibility, and improve service throughout Long Island. To date, National Grid has installed nearly 11 miles of new infrastructure between Roslyn Heights, Albertson, East Williston, Mineola and Garden City.

In Summer 2024, the current phase of infrastructure installation on Powerhouse Road in Roslyn Heights began and will eventually tie into existing infrastructure located at the Nassau/Queens Border. **Please note: there will be no interruption to service for our customers.**

## What to expect during construction:

- **Excavation** of the roadway, **installation** of new infrastructure, **temporary restoration** of the roadway, **testing** of the new infrastructure, and **final restoration** of the roadway.
- **Traffic pattern changes.** There will be changes to traffic patterns during work hours, and a flagger will be onsite to assist as necessary. Please be aware of construction traffic signs and cones.
- **Street plates.** The project site will be secured and plated during non-work hours.
- **Please note that after temporary restoration, the road surface may be rough.**
- **For your safety,** please do not enter work zones and be mindful of work zones during and after construction.
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call or email our team. You can also visit our project website to see the project map, construction updates, and more.

## Quick Project Facts:

**What:** New infrastructure installation from Roslyn Heights to Lake Success

**Where:** LIE Westbound Service Road between Jefferson Ave and Lakeville Rd, Horace Harding Blvd/Bates Rd in Lake Success

**When:** July 2024 – Fall 2026

**Hours:** Between Jefferson Ave and New Hyde Park Rd, Monday to Friday 8 am – 4 pm

Between New Hyde Park Rd and Lakeville Rd, Monday to Friday 8 pm – 5 am

West of Lakeville Rd, Monday to Friday 8 am – 4 pm

**\*\*Please note due to traffic conditions during the day, all intersections along the route on Powerhouse Rd will be worked at night (8pm – 5am)\*\***

*\*Due to the complexities of outdoor construction, schedule subject to change. Please reach out to our project team for more information*
