We are upgrading infrastructure to provide better service to your community.

Nassau County | June 2024

We would like to inform you of upcoming work in your neighborhood. Energy plays a critical role in our day-to-day lives and helps ensure the well-being of our community. That's why we're investing in infrastructure upgrades in your area.

Project details:

We have made significant upgrades to our systems to ensure our customers receive the best possible service to their homes and businesses every day. The **Stewart Avenue Upgrade Project** will upgrade existing infrastructure along Stewart Avenue to increase reliability, enhance safety and operational flexibility, and improve service throughout Nassau County.

Please note, there will be no interruption to service for our customers.

What you may expect during construction:

- Excavation of the roadway, installation of new infrastructure, temporary restoration of the roadway, testing of the new infrastructure, and final restoration of the roadway.
- Traffic pattern changes. There will be changes to traffic patterns during work hours, and a flagger will be onsite to assist as necessary. Please be aware of construction traffic signs and cones.
- Street plates. The project site will be secured and plated during non-work hours.
- Please note that after temporary restoration, the road surface may be rough.
- For your safety, please do not enter work zones and be mindful of work zones during and after construction.
- Direct contact with our Outreach Team. If you have questions or concerns, please call or email our team. You can also visit our project website to see the project map, construction updates, and more.

Smell Gas. Act Fast.

We respond to gas emergencies 24 hours a day. If you smell gas, act fast and call **911** or our gas emergency line at **1-800-490-0045**.

Quick project facts:

What: Upgrading existing infrastructure on Stewart Avenue

Where: Stewart Ave. from Raymond Ct. to Merrick Ave.

When: Summer 2024 – Spring 2027

Hours: Sunday to Thursday 8 p.m. – 5 a.m.

Due to the complexities of outdoor construction, schedule subject to change. Please reach out to our project team for more information.

Please note due to traffic conditions during the day, all intersections along the route on Powerhouse Road will be worked at night (8 p.m. – 5 a.m.).

Please note: Every National Grid employee carries a photo ID card, and any contractor doing work for us is also required to carry ID.
