We are upgrading infrastructure to provide better service to your community.

Stewart Avenue Upgrade Project Update | February 2025

Dear Neighbor:

We appreciate your patience as we continue our work in your area.

Project Updates:

The Stewart Avenue Upgrade project will continue to upgrade existing infrastructure to increase reliability, enhance safety, operational flexibility, and improve service throughout Nassau County. The project recently crossed over Quentin Roosevelt Blvd. and will continue east towards Merrick Ave.

What to expect during nighttime construction:

- **Excavation of the roadway**, installation of infrastructure, temporary restoration of the roadway, testing of the new infrastructure, and final restoration.
- **Traffic pattern changes.** There will be changes to traffic patterns during work hours. A flagger will be onsite to assist as necessary.
- **Street plates.** The project site will be secured and plated during non-work hours. Please note that after temporary restoration, the road surface may be rough.
- **For your safety, please do not enter work zones and be mindful of work zones during and after construction.**
- **Direct contact with our Outreach Team.** If you have questions or concerns, please call or email our team.

Quick Project Facts:

What: Upgrading existing infrastructure in Garden City

Where: Stewart Avenue between Raymond Court and Merrick Avenue

When: February 2025 – Spring 2026

Hours: Sunday to Thursday, 8:00 pm – 5:00 am

Due to the complexities of outdoor construction, schedule subject to change. Please reach out to our project team for more information.

Please note: Every National Grid employee carries a photo ID card, and any contractor doing work for us is also required to carry ID.
