West Hempstead Upgrade Project | August 2024

Dear Neighbor,

We are reaching out to update you regarding construction activities on Taft Street and Eagle Avenue, scheduled for next week.

**On Tuesday, August 13<sup>th</sup> and Wednesday, August 14<sup>th</sup>,** crews will be conducting tie-in activities. You can expect extended work hours on both days, additional traffic impacts and a larger crew presence on site during this time. Local traffic will have access to Taft Street via Donlon Ave, and a flagger will be present to assist drivers and pedestrians. Once the workday is complete, Taft Street and Eagle Avenue will be re-opened to through traffic as normal.

The purpose of this work is to connect the newly installed infrastructure to the existing system and one of the final steps in completing the West Hempstead Upgrade Project. Please do not hesitate to reach out Project Engagement team at the number or email below with questions. For your safety, please do not enter work zones and be mindful of work zones during and after construction hours. Thank you for your continued patience as we work to complete this important project.

Thank you,
