
Residential Assistance Non-Heating Rate
Classification No. R-2

Availability:

Gas delivery service under this rate is available upon verification of a low-income Customer's receipt of any means-tested benefit, or verification of eligibility for the low-income home energy assistance program, or its successor program, for which eligibility does not exceed 200 percent of the federal poverty level based on a household's gross income. In a program year in which maximum eligibility for LIHEAP exceeds 200 percent of the federal poverty level, a household that is income eligible under LIHEAP shall be eligible for the low-income discount. The customer must be 18 years of age or older, head of household, a residential customer of record, and not have gas space heating equipment. It is the responsibility of the customer to certify annually to the utility, on forms provided by the utility, the customer's continued eligibility for the low-income rate.

This rate is available only to residential customers and excludes institutions, hotels, apartments, and rooming houses in which the individual tenants are not billed separately.
