

Commercial Heat Pump Project: Rebate Commitment Letter

National Grid, a proud sponsor of Mass Save®, is excited to provide XYZ Acme Company with a Rebate Commitment Letter for the following commercial heat pump project:

PROJECT SUMMARY	
Project Installation Location Name	XYZ Acme Company
Project Address	11000 Main St, Gloucester, MA 01930
Square Feet Covered by New Equipment	4,300
Estimated Project Completion Date	11/30/2023
Total Rebate Amount Authorized	\$23,875.00
Authorization Date	7/21/2023
Authorization Expiration Date ¹	7/21/2024

PROJECT CONTACTS	
Primary Contact Name	John Smith
Contact Email	jsmith@heatpumpinstallercomp.com
Contact Phone Number	978-555-5555

EQUIPMENT SUMMARY				
Pre-existing Heating Fuel Type		Natural Gas		
Fully replacing pre-existing heating system? (Y/N)				N
If partially displacing pre-existing system*:		Integrated Control Model #		KSAIC0301230
Equipment Type	AHRI Reference # (or make/model)	Tonnage	QTY	Rebate
ASHP	8779045	1.5	1	\$ 3,750.00
VRF	207827235	5.75	1	\$20,125.00
Project Totals		7.25	2	\$23,875.00

*If partially displacing an existing oil, propane, or natural gas heating system, an integrated control model number must be included or must certify that an existing building control system will be operating both the heat pump and the existing heating system.

¹To be eligible for the rebate payment, equipment must be installed at 11000 Main St, Gloucester, MA 01930 and documentation must be submitted by the Authorization Expiration Date 7/21/2024. Failure to install all equipment as approved by this date may disqualify or reduce rebate payment.

For more information on commercial rebates and eligibility, visit [MassSave.com/CIHeatPump](https://masssave.com/CIHeatPump). Please note that equipment installation may be subject to an onsite verification and can't receive an incentive through another Sponsor offering. Note that as per the program terms and conditions outlined in Section 6(a) of the program application, the Sponsor will pay no more than the cost to the customer purchasing and installing the eligible equipment. The incentive will be capped at the total project cost. See Terms & Conditions listed on the [2023 Commercial Heat Pump Rebate Form](#) for full requirements.

Questions or Scope Change?

If you make a change to your project after this commitment letter, you must notify us prior to beginning installation to determine eligibility. Contact the Resource Innovations team at: MARebates@resource-innovations.com and 888-855-0340 press 9.
